Join Saul and a soulful group of seekers, healers, musicians, yogi's & lovers of life for this incredible soul journey to mother India during the time of Kumbh Mela (the largest spiritual gathering on planet Earth). We will journey to the healing land of Kerala, birthplace of Ayurveda, and immerse ourselves into the healing & re-juvenating powers of Ayurveda at the ocean's edge. Then we will journey to Vrindavan, the land of Krishna, where we will dance, sing and dive into the heart of Bhakti with our Gopika Krishna friends and explore sacred temples, forests and the holy Yamuna river. When our hearts are overflowing we will journey to the holy city of Haridwar and join in the largest spiritual gathering the world has seen !

During Kumbh Mela we will stay right on the holy river Ganga in one of the best situated places, that is also safe and secure. We will visit sacred temples and pilgrimage spots and join in with all the great saints, masters, yogi's and seekers during this amazing event. Including taking a dip in Ma Ganga ~ which is said to wash away lifetimes of karmas!

Saul's teacher, Paramahansa Nithyananda, has given his blessing for our trip and will be at the Kumbha Mela at this time, as well (as the Mela actually runs from January 14 - April 28!) This is one of the most auspicious times to be at the Mela as it includes one of the sacred "bathing" dates.

If you are feeling called to spiritual India - this is the time to come !!!

We have a limited number of spaces available for this journey, so if you are moved to join us, please contact us now as we need to confirm our arrangements.
